How do we protect your data?

In order to ensure an appropriate level of security in the processing of personal data, we have assessed the risks posed by the processing of personal data and implemented appropriate technical and organisational measures.

Who do we provide your data to?

The Company, with the help of data processors, shall place extremely high requirements on them in the field of data protection. Personal data processing agreements have been signed with all data processors involved, which define strict requirements for the implementation of technical and organisational measures, cooperation and liability.

The Company may transfer data:

- in accordance with the procedure provided by law for state institutions;
- to companies that provide data centre, cloud, website administration and related services, create, provide, maintain and develop software, companies providing information technology infrastructure services, companies providing communication services;
- to their legal and compliance consultants to external audit firms;
- to subcontractors;
- to law enforcement authorities at their request or on our own initiative if there is a suspicion that a criminal offence has been committed, as well as to courts and other dispute resolution bodies.

Do we process your data outside the European Union and the European Economic Area?

We ensure that your data shall be processed in accordance with the requirements and standards set out in European Union legislation and inform you that your data shall be processed only within the European Union and the European Economic Area (EEA).

Consequences of Non-Submission of Data

You shall have the right to refuse to provide your personal information, but the provision of your personal information is required and necessary for the purposes set out in this Privacy Notice, and if you do not provide your personal information, we may be unable to provide the services requested.

What rights do you have?

In accordance with the provisions of the GDPR, you, as a Data Subject, may exercise the following rights:

1. Right of access to personal data – to submit a request for information on whether your personal data is being processed, and if personal data is being processed, you shall have the right to access your personal data being processed.
2. Right to rectify personal data – to submit a request to rectify your personal data if you determine that the personal data we process is incorrect, incomplete or inaccurate.
3. Right to delete data (right to be "forgotten") – to request the deletion of your personal data if you believe that your data has been processed illegally or fraudulently.
4. Right to restrict the processing of data – to request the restriction (suspension) of the processing of your personal data other than retention – in case, for example, you request the rectification of your personal data (while the accuracy of personal data is checked and/or corrected), you object to the processing of your personal data, etc.
5. Right to transfer data – to submit a request to transfer your personal data, which is processed by automated means, to you and/or another data controller in a structured, commonly used and computer-readable format.
6. Right to object to the processing of data – to object to the processing of personal data where the data are processed on the basis of a legitimate interest.

You may exercise your rights:

1. By sending us a free-form request to dpo@modus.group. The request must be electronically signed. If this is not possible, in order for us to verify your identity, the person executing the request may ask for additional information proving your identity.

2. By sending the request by registered mail to Žalgirio g. 112 - 1, LT-09300 Vilnius, Lietuva; the request must be signed.

The request must be legible, signed, contain the name, address and other details of the data subject in the preferred form of communication, information on which of the data subject's rights and to what extent the data subject wishes to exercise.

We shall provide a response to your request no later than within 30 (thirty) calendar days from the date of receipt of the request. In exceptional cases requiring additional time, we shall have the right, after notifying you, to extend the deadline for submitting the requested data or processing other requirements specified in your request to 60 (sixty) calendar days from the date of your request.

Where can you apply for questions about personal data?

If you have any questions about the information contained in this Privacy Notice or the protection of your personal data and the exercise of your rights in the Company, please contact our data protection representative in any way convenient for you:

- by e-mail: dpo@modus.group
- in writing at: Žalgirio g. 112 - 1, LT-09300 Vilnius, Lietuva.

If a mutually acceptable solution cannot be found, you shall have the right to contact the State Data Protection Inspectorate at: L. Sapiegos St. 17, Vilnius, by e-mail: ada@ada.lt.
